As President & Chief Executive Officer of MACOM Technology Solutions Inc., I am committed to the principles of Affirmative Action and Equal Employment Opportunity. In order to ensure dissemination and implementation of Equal Employment Opportunity and affirmative action throughout all levels of the company, I have selected Michael Newman, Director of Compensation and Benefits, as the Equal Employment Opportunity (EEO) Manager for MACOM Technology Solutions Inc. One of the EEO Manager's duties will be to establish and maintain internal audit and reporting systems to allow for effective measurement of MACOM Technology Solutions' Inc. programs.

In furtherance of MACOM Technology Solutions' Inc. policy regarding Affirmative Action and Equal Employment Opportunity, MACOM Technology Solutions Inc. has developed a written Affirmative Action Program which sets forth the policies, practices and procedures that MACOM Technology Solutions Inc. is committed to in order to ensure that its policy of nondiscrimination and affirmative action is accomplished. This Affirmative Action Program is available in the Human Resources office and at <http://macom/SitePages/Home.aspx> for inspection by any employee or applicant for employment upon request, during normal business hours. Interested persons should contact Michael Newman for assistance.

We request the support of all employees in accomplishing Equal Employment Opportunity.
