UNLESS YOU HAVE A SEPARATE, SIGNED GENERAL OR MASTER PURCHASE AGREEMENT WITH MACOM TECHNOLOGY SOLUTIONS AND ITS AFFILIATES ("SELLER") WHICH IS CURRENTLY IN EFFECT AND EXPLICITLY APPLIES TO THE PRODUCTS OR SERVICES YOU ARE PROCURING FROM SELLER, THIS DOCUMENT ("THIS AGREEMENT") SETS FORTH THE EXCLUSIVE TERMS AND CONDITIONS BETWEEN THE ORIGINAL PURCHASER ("BUYER" OR "YOU") AND SELLER FOR THE PRODUCTS AND SERVICES FOR WHICH YOU REQUEST A QUOTE AND/OR THAT YOU ACQUIRE, AND OVERRIDES AND SUPERSEDES ANY ADDITIONAL OR CONFLICTING TERMS AND CONDITIONS DISCUSSED BY SELLER AND BUYER OR SET FORTH ON ANY BUYER PURCHASE ORDER OR OTHER RELATED DOCUMENTS.

1. ACCEPTANCE. Offer by Seller to Buyer of Products and Services identified on Seller's quotation and Acceptance by Seller of Buyer's purchase order ("Order") is expressly conditioned on Buyer's assent to these terms and conditions as the only terms and conditions applying to the sale of products. These terms and conditions may not be varied except by a written agreement, supported by adequate legal consideration and duly signed by an Officer of Seller. Acceptance by Buyer of the products ("Products") shall be deemed to occur upon shipment by Seller at the shipping point. In no event shall the Products be deemed to include Software (as defined below) or unreleased parts. Buyer is prohibited from selling or reselling the Products on a standalone basis, and shall only sell, have sold, distribute or have distributed Seller's Products as a part of a sale or lease of Buyer's products provided such Seller Products are incorporated into Buyer's products.

2. SOFTWARE.

2.1. "Software" shall mean all software, in executable code, that is embedded, bundled or included with Products. Software is provided as-is, and without any warranty whatsoever.

2.2. Software Ownership. Buyer acknowledges and agrees that Seller retains the sole and exclusive ownership of all rights, title and interest in and to the Software and any derivatives thereof and all intellectual property rights associated therewith.

2.3. Software License. Any license of software in source code shall be covered under the terms of a separate source code license. Subject to the restrictions set forth in Section 2.4, Seller grants to Buyer a non-exclusive, non-transferable, royalty-free, worldwide license to use, copy, have copied, and distribute the Software in executable code form solely for use on or with Buyer's products that incorporate Seller's Products.

2.4. Restrictions.

2.4.1. Sublicense. Buyer may sublicense the Software only in executable code form to Buyer's customers and only as a part of a sale or lease of Buyer's products that incorporate Seller's Products. All such sublicenses must be subject to a written agreement that includes at a minimum, the restrictions set forth in this Section 2.4.

2.4.2. Buyer is prohibited from creating derivative works, disassembling, decompiling, reverse-engineering or otherwise attempting to discover or disclose methods or concepts embodied in any Software;

2.4.3. Buyer is required to include Seller's copyright and proprietary notices or markings on each sublicensed copy of any Software; and

2.4.4. No right is granted Buyer to distribute: (i) any Software or any derivative of Software as a standalone product; or (ii) any Software in source code form.

3. WARRANTY.

Except with respect to Software, reference designs and unreleased parts, which includes prototypes, pre-release and sample parts, Seller warrants for a period of twelve (12) months from the date of original shipment (the "Warranty Period") that the Products will operate in conformity with written performance specifications set forth on Seller's most recently published product data sheet for the production version Product (the "Specifications"); provided, however, that this warranty shall not apply to any Product (i) which has been damaged, abused or misused physically or electrically (including, without limitation, by being operated outside the range of any environmental, power or operating parameters indicated on Seller's data sheet), (ii) on which the trademark shall have been defaced or obliterated or (iii) which has been reworked or repaired by any party other than the Seller without Seller's prior written authorization. Buyer shall request, in writing, a return material authorization ("RMA") within the warranty period prior to returning any nonconforming Products. Any claim under this warranty must be submitted to and received by Seller within the Warranty Period. Seller's issuance of an RMA will not commit Seller to the making of any repair or replacement hereunder. Requests for RMAs must list the types and quantities of all Products involved, the reason(s) the specific Product units are alleged to be defective or otherwise non-conforming, and provide any other information reasonably required by Seller concerning operating conditions involved and the period of use. In addition, the Order number and, where possible, the original invoice number covering the original purchase of the Products involved must also be identified on the RMA request. Returned Products must be shipped, transportation prepaid, by the most practical method of shipment. Shipping costs will be credited to the Buyer for all Products found to be subject to warranty adjustment. Excessive transportation costs will not be allowed. Seller can accept no billing for packing, inspection, labor charges or other incidental costs in connection with any Products returned. Unless otherwise requested by Buyer, returned Products found not subject to this warranty will be sent back to Buyer, transportation collect. In all cases, Seller's determination will be final. With respect to Products found not in conformity with this warranty, the remedy will take the form, at Seller's option, of a replacement or repair of the defective or nonconforming Product. In the event Seller determines that it is uneconomical to replace or repair warranted Products, Seller may, at its sole option, remit the dollar equivalent based upon the original Product sales price and said remittance will be calculated by applying the pro rata percentage of the unexpired warranty to the original Product sales price. In the event of replacement pursuant to the foregoing warranty, such warranty shall apply to the replaced product. In the event of repair pursuant to the foregoing warranty, the validity of the foregoing warranty will be twelve (12) months from the date of shipment of the repaired Product less the period of time between the date of original shipment and the date on which Seller received return of the Product for repair. Seller's sole obligation and liability for non-conforming Products shall be, at its expense and at its sole option, to repair or replace them or to accept their return and refund You the applicable purchase price to the extent paid by You. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES WHETHER WRITTEN, ORAL, EXPRESS OR IMPLIED (INCLUDING, WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) AND SHALL BE EXPRESSLY FOR THE BENEFIT OF THE BUYER WITH NO TRANSFER RIGHTS OR BENEFIT TO ANY THIRD PARTY. THE FOREGOING CONSTITUTES BUYER'S SOLE REMEDY AND SELLER'S SOLE LIABILITY FOR BREACH OF WARRANTY. NOTWITHSTANDING THE FOREGOING OR ANY OTHER STATEMENT IN THIS AGREEMENT, ANY AND ALL PARTS THAT ARE SHIPPED AS SAMPLES, PROTOTYPES OR IN PRE-PRODUCTION OR PRE-RELEASE FORM,

WHETHER DESIGNATED AS SUCH BY SELLER IN AN ACKNOWLEDGMENT, INVOICE, SHIPPING DOCUMENT OR OTHER WRITING ISSUED BY SELLER AS "PRE-PRODUCTION RELEASE PARTS", "PRE-PROD", "SAMPLE", "PPR" OR BY OTHER SIMILAR NOTATION IN THEIR PART NUMBER OR OTHERWISE, OR THAT OTHERWISE HAVE NOT YET BEEN RELEASED BY SELLER FOR GENERAL AVAILABILITY, MAY CONTAIN DEFECTS AND ARE PROVIDED "AS-IS, WITH ALL FAULTS" AND WITHOUT A WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED. Seller reserves the right to change the part number for any pre-production release part to the applicable corresponding production released part number at any time and will notify Buyer of any such change.

4. DELIVERY.

4.1. Unless otherwise explicitly agreed upon in writing, Seller's shipment terms are *Ex Works*, factory of production per Incoterms 2000, at which time title shall also pass.

4.2. Seller shall not be liable by reason of any delays in performance caused by war, fire, strikes, floods or other natural disasters, accidents, acts of terrorism, Government priorities or regulations, delays in transportation, shortages of materials and/or supplies or any other causes beyond its reasonable control. If shipment of any Product is delayed at Buyer's request, Seller may invoice Buyer for such Product and risk of loss of such Product will pass to Buyer on the date that Seller is prepared to make shipment to Buyer.

4.3. Die Quantity Variance. For die Products ordered hereunder, the number of die delivered to Buyer depends on the yield on the applicable wafer. Due to variances experienced in wafer yields, Seller may unilaterally amend the number of die requested in any Order to a number that is plus or minus ten percent (10%) of the requested amount. Seller may then invoice Buyer for such amended amount of die without Buyer's consent. Should the wafer yield variance exceed plus or minus ten percent (10%) of the requested amount, Seller shall obtain Buyer's consent before shipping (and invoicing for) such number of die.

4.4. Rescheduling of shipments shall be by mutual agreement. Notwithstanding the foregoing, the Seller's extensive line of products requires close coordination of the Buyer's requirements with the Seller's production schedules to avoid possible delays in shipment. Accordingly, the Seller reserves the right to ship in advance of the Seller acknowledged schedule date unless the Buyer is established as a "Just in Time" (JIT) account. Unless otherwise stated on the face hereof, Seller may ship all the goods furnishing hereunder at one time, or in separate parts or lots from time to time within the shipping period herein provided. Claims that the Seller did not ship the total quantity of goods shown on the face hereof will be researched and reconciled with all due diligence.

5. PAYMENT.

5.1. If Buyer is located in the U.S., the following payment terms apply:

5.1.1. Payment shall be due and payable thirty (30) days from date of invoice. No discounts are allowed. Payment shall not be withheld on account of any claim by Buyer against Seller. Seller reserves the right, among other remedies, either to cancel the Order or suspend deliveries if Buyer fails to pay for any invoice or shipment when payment becomes due.

5.1.2. Any tax, duty, custom, or other fee of any nature imposed upon this transaction by any federal, state or local government authority shall be paid by the Buyer, in addition to the price quoted or invoiced. In the event Seller is required to prepay any such tax, duty, custom or other fee, Buyer will reimburse Seller therefor.

5.1.3. Unless specifically otherwise agreed in writing by Buyer and Seller, all payments are to be made in United States Dollars (USD\$). If made by check, the check must be drawn on a U.S. Bank. All banking charges, if any, are to be pre-paid by the Buyer.

5.2. If Buyer is located outside the U.S., all payment terms are measured from the date of invoice and payments are to be made in the agreed-upon currency as designated in the applicable Seller quotation. If made by check, the check must be drawn on a Standard & Poor's triple A-rated bank headquartered in the country of Seller's principal place of business. All banking charges, if any, are to be pre-paid by the Buyer.

5.3. Buyer agrees to pay Seller, on demand, interest at the maximum rate permitted by applicable law for any late payments, together with any and all related collections costs, court costs and attorneys' fees incurred in the collection of such overdue amounts.

6. CANCELLATION.

6.1. *Cancellation if Buyer in U.S.* In the event that either party defaults in any of the terms, conditions, obligations, undertakings, covenants, or liabilities set forth herein, the other party shall give the defaulting party written notice of such default. If the defaulting party does not remedy such default within sixty (60) days following receipt of written notice thereof, the party giving notice may cancel the Order by providing the defaulting party with a written notice of cancellation. In addition, either party may cancel the Order by providing written notice to the other party in the event the other party becomes insolvent, unable to meet its debts as they become due, files a petition for bankruptcy under any chapter of the U.S. bankruptcy laws, enters into any arrangement or composition with creditors, or goes or is put into liquidation. Cancellation of the Order shall not relieve either party from its obligations hereunder which shall have accrued prior to such cancellation. Cancellation of an Order by Buyer pursuant to this article shall be Buyer's sole and exclusive remedy for any breach by Seller.

6.2. *Cancellation if Buyer Outside of U.S.* In the event that either party defaults in any of the terms, conditions, obligations, undertakings, covenants, or liabilities set forth herein, the other party shall give the defaulting party written notice of such default. If the defaulting party does not remedy such default within sixty (60) days following receipt of written notice thereof, the party giving notice may cancel the Order by providing the defaulting party with a written notice of cancellation. In addition, either party may cancel the Order by providing written notice to the other party in the event the other party becomes insolvent, unable to meet its debts as they become due, files a petition for bankruptcy under any provision of the bankruptcy laws in the country of Buyer or Seller as applicable, enters into any arrangement or composition with creditors, or goes or is put into liquidation. Cancellation of the Order shall not relieve either party from its obligations hereunder

which shall have accrued prior to such cancellation. Cancellation of an Order by Buyer pursuant to this article shall be Buyer's sole and exclusive remedy for any breach by Seller.

6.3. Orders accepted by Seller can only be cancelled for Buyer's convenience by providing written notice at least thirty (30) days prior to the acknowledged ship date. In the event an Order is canceled for Buyer's convenience, Buyer will be liable for the sales price of all finished goods, plus the total cost of all work in process, all raw materials purchased for the Product, including long lead time and/or bulk material, a reasonable profit and any other commitment made by, or cost incurred by, the Seller for the specific purpose of complying with the Order. In no event will Buyer's liability under this section exceed the total value of the canceled portion of the Order.

7. GOVERNING LAWS AND EXPORT CONTROLS.

7.1. If Buyer is based in the U.S., this Agreement and the sale of the Product(s) hereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, excluding its conflicts of law provisions and excluding the United Nations Convention on Contracts for the International Sale of Goods. A waiver by Seller of any of these terms and conditions shall not be deemed to be a continuing waiver but shall apply solely to the instance to which the waiver is directed. 7.2. If Buyer is based outside of the U.S., this Agreement and the sale of the Product(s) hereunder shall be governed by and construed in accordance with the laws of the country of Seller's principal place of business, excluding the conflicts of law provisions thereof and the United Nations Convention on Contracts for the International Sale of Goods. 8. **FORCE MAJEURE.** In the event of strikes, epidemics, natural disasters, war, civil unrest, acts of terrorism, other events outside the control of the Seller, as well as other force majeure cases commonly recognized under applicable law ("Force Majeure"), the Seller shall be released from performing its contractual duties under this Order to the extent that such Force Majeure is partially or wholly preventing the Seller from performing its contractual duties. In such an event, the Seller shall inform the Buyer about the nature of the Force Majeure incident and the expected duration of the incident. In no event shall the Seller be responsible or liable for any claim in connection with the non-performance or late performance of his contractual duties for the duration of a Force Majeure event.

9. TAXES AND IMPORT DUTIES.

9.1. If Buyer is based in the U.S., Buyer agrees to furnish Seller with an exempt purchase or resale certificate or, in the absence of same, assume all liabilities for all Federal, state and local taxes and duties, other than taxes based upon Seller's net income.

Seller shall defend at Seller's expense every law suit based on a claim for infringement of a United States patent by Seller's Product brought against Buyer, and shall indemnify and hold harmless Buyer against all resulting judgments or settlements of such suit or claim, so long as timely notice of such suit or claim and sole control of the defense, and settlement of the same, is given to Seller. Buyer shall furnish to Seller all information and assistance in connection with such suit or claim which may be reasonably requested by Seller.

10.2. If such Product is held to constitute an infringement and the use of the Product is enjoined, Seller shall, at its option, either procure for Buyer the right to continue using the Product or replace same with non-infringing Product, or modify the Product so that it becomes non-infringing, or grant Buyer a credit for the purchase price of such Product.

10.3. Notwithstanding any of the foregoing, Seller shall not be liable to Buyer hereunder for any patent infringement or for any claim thereof based upon: (i) use of the Product in combination with any materials not provided by Seller where such infringement or claim thereof would not have occurred but for such combination; or (ii) Seller's compliance with Buyer's designs or specifications; or (iii) modification of Products other than at Seller's direction; or (iv) use of an allegedly infringing version of the Product, if the alleged infringement could be avoided by use of a different version made available to Buyer; (v) the willful acts of Buyer; (vi) Seller's compliance with any industry or proprietary standard; and (vii) any settlement or compromise incurred or made by Buyer without Seller's prior written consent. The foregoing states Seller's entire liability and Buyer's sole and exclusive remedy for patent infringement and is in lieu of all other express and implied warranties.

11. DATA AND INTELLECTUAL PROPERTY RIGHTS.

11.1. Any drawings, specifications, technical data or other information that Seller discloses to Buyer is and shall remain proprietary to Seller and shall be protected by Buyer in the same manner as Buyer protects its own confidential information of like significance but with no less than a reasonable degree of care. 18.1. If Buyer is located in the U.S. and the Products or services being acquired hereunder are for ultimate sale to the United States Government, unless otherwise stated, the Product(s) or services being purchased are "commercial items" (48 C.F.R. §52.202-1) under the Federal Acquisition Regulation ("FAR"). If the Product(s) or services are not a commercial item, the following FAR and Defense Federal Acquisition Regulation Supplement ("DFARS") clauses set forth in Attachment A are incorporated by reference, but only to the extent that Buyer's contract with its buyer includes such clauses, and only if the flow-down of such clauses to Buyer is required by law. References in the clauses to the "Government" shall remain as stated. All references in such clauses to "Contract" shall mean the terms of this Agreement. Under no circumstances, however, will Buyer have access to confidential or proprietary information of the Seller.

18.2. If any of the Products are intended for a Government Defense Contract, supplemental terms and conditions may apply in which case they shall be set forth in a separate attachment to Seller's order confirmation.
